The River Food Pantry feeds 600 Dane County families per week, going through 30 thousand pounds of food per week, or about 1.5 million pounds of food per year. The pantry also provides clothing and household items to those in need. Thanks to generous donations from runners and volunteers in our 2013 rescheduled February race we were able to contribute \$420 to the food pantry. Please join us in our efforts to contribute again this winter.
